During the morning of 9/3 Tiffany began calling me at 2:39 Am from no caller ID because her number was blocked on my phones. She called me around 50+ times and left one voicemail on my phone ~~Previously~~ I answered the phone a couple times to tell her she is not supposed to be contacting me because we have another legal issue being investigated at the moment and she continued to call. The same night she called one of my friends 40+ times from No caller ID ~~slightly after the same time~~ ^{slightly after the} time she was calling me.

She then ~~texted~~ texted my friend the same morning from a fake number (she used a texting app) saying untrue, hurtful things that could very much ruin my image. This isn't the first time she has contacted someone from my contacts. The calls she are placing are annoying me and unwanted.
